

From low stock to purchase order

How Leap POS keeps shelves full. Swipe →

The screenshot displays the Leap POS 'Low stock' interface. The top navigation bar includes the Leap logo, filters for 'All countries' and 'All branches', a search bar, and a currency converter showing '1 USD = 89,500 LBP'. The left sidebar lists various inventory management options, with 'Low stock & reorder' currently selected. The main content area is titled 'Low stock' and shows a list of products with their current stock status and suggested reorder quantities.
